

Customer Confidentiality Policy

A key operating principle of The Filter Shop, Inc. is to conduct business with a high degree of Confidentiality, Credibility, Partnership and Trust with all business associates.

Considering this Vision and operating policy, The Filter Shop will not divulge the identity of individuals, organizations, customers, jobs, or prospects whose information is obtained by or provided to The Filter Shop.

In all communications, the confidentiality of customers / clients / organizations will be maintained with the highest degree of respect and trust.

If you have questions on this policy or the operational communications of The Filter Shop please contact us at: ryan@thefiltershopinc.com.
